Intent to publish: No Account-level app JWT Credentials

Your app is activated on the account

Your app is allowed to invoke any Zoom APIs

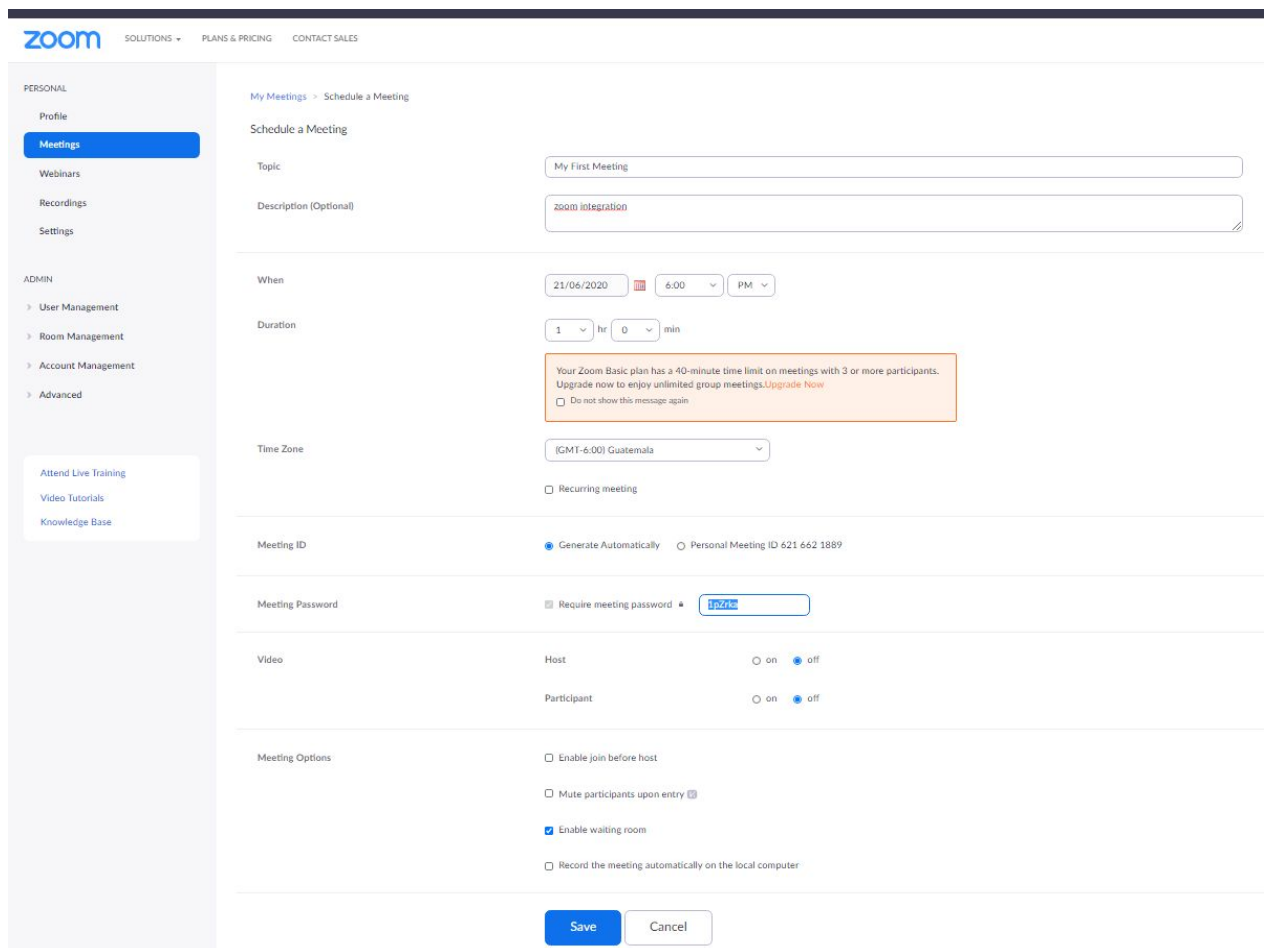

Deactivate your app

2) After completing the zoom account sign up, enter the zoom api key and api secret in **EduAppGT School Management System** in the system settings

The screenshot shows a form titled "Zoom Api" with two input fields: "Zoom API Key" and "Zoom API Secret". Both fields have a red error icon to their right. An "Update" button is located at the bottom right of the form.

3) Now you can create meetings in your zoom account and set data such as date, time ...

The screenshot shows the Zoom "Schedule a Meeting" interface. The left sidebar contains navigation options under "PERSONAL" (Profile, Meetings, Webinars, Recordings, Settings) and "ADMIN" (User Management, Room Management, Account Management, Advanced). The main content area is titled "My Meetings > Schedule a Meeting" and includes the following fields and options:

- Schedule a Meeting**
- Topic:** My First Meeting
- Description (Optional):** zoom integration
- When:** 21/06/2020, 6:00 PM
- Duration:** 1 hr 0 min
- Time Zone:** (GMT-6:00) Guatemala
- Meeting ID:** Generate Automatically Personal Meeting ID 621 662 1889
- Meeting Password:** Require meeting password
- Video:** Host: on off; Participant: on off
- Meeting Options:** Enable join before host; Mute participants upon entry; Enable waiting room; Record the meeting automatically on the local computer

At the bottom, there are "Save" and "Cancel" buttons.

The screenshot shows the Zoom web interface for managing a meeting. The left sidebar contains navigation options under 'PERSONAL' (Profile, Meetings, Webinars, Recordings, Settings) and 'ADMIN' (User Management, Room Management, Account Management, Advanced). The main content area displays the following details for 'My First Meeting':

- Topic:** My First Meeting
- Description:** zoom integration
- Time:** Jun 21, 2020 06:00 PM Guatemala
- Add to:** Google Calendar, Outlook Calendar (ics), Yahoo Calendar
- Meeting ID:** 760 1843 5257
- Meeting Password:** ***** Show
- Invite Link:** <https://us04web.zoom.us/j/76018435257?pwd=Nld0YkNsdmhtM0VlUeVhR2VKSUxpQT09> Copy Invitation
- Video:** Host: Off, Participant: Off
- Meeting Options:**
 - Enable join before host
 - Mute participants upon entry
 - Enable waiting room
 - Record the meeting automatically on the local computer

This screenshot is identical to the one above, but with red boxes highlighting the Meeting ID and the password field in the 'Invite Link' section. The Meeting ID is 76018435257 and the password is Nld0YkNsdmhtM0VlUeVhR2VKSUxpQT09.

4) Set up live classroom on your site, in the academic module enter a course and in the LIVE section. Enter title, class, section, date, time slot.

Observations The most important thing is to enter the zoom meeting ID, the password and the scheduling date, the time same.

Create Live

Title
